### **Take Home Folders**

**In September every student was given a Take Home Folder for papers and notices to go home in each Thursday. Fewer and fewer folders are being returned each week. It really is the easiest way for us to get papers home without them ending up on the floor in our backpack area. We would really appreciate it if you could remind your child to look for their folder if it is missing. Thanks!**

### Math

In math we usually do subtraction or addition. We usually do it with math paper. We also use the white boards. Sometimes we play Kahoot.
