Snacks

Each day at 11:00 students have the opportunity to have a snack when we head out to recess. Many students are often hungry by this time. Please feel free to pack something extra for this snack time. We do request a healthy option for snack time such as fruits, veggies, crackers, cheese, etc.

P.E.

We are doing yoga in P.E. We are doing really good. I like the stretches and that it helps your body to get moving.
