**Oregon Zoo
Field Trip**

Permission slips for the 3rd grade field trip to the zoo will go home in Take Home Folders next week.

If you are planning to attend as a chaperone, make sure you have a current background check. Call the office to see if you have one with the district or if you need to fill one out.

P.E.

In P.E. we have been practicing jump rope. Now in P.E. we are doing basketball dribbling. In dribbling, we are practicing keeping the ball under control. We are also practicing going around cones.
