Thank You!

Thank you for all the contributions to our class basket for the raffle! We had a nice collection of candy and treats! We also really appreciate the items gifted to our classroom from the wish list items on the stockings in the front entry.

Progress Reports

If you did not make it in for a conference, look for your student's progress report to come home today in an envelope.

Spelling

Spelling is fun and it teaches how to spell your words. Some days we pick activities like spelling grab bag, spelling scrabble, or sign language. We have our test on Wednesday.
